Dear Runners and Volunteers:

Congratulations to all the 2000 Hardrock Hundred participants and volunteers for a job well done. A special congratulations to the 60 finishers ranging from those who toured the course as fast as anyone ever has to those who braved rain, lightening, and fog through a second night to reach the finish.

One of the fun things we get to do is review and play with the myriad of numbers that the Hardrock generates. We have now had an opportunity to correlate the times recorded in the data base with those recorded in the field and make a few corrections relative to what was passed out at the awards. We have also been able to compile the results into the historical tables. All of these good things are included in this package as follows:

1. 2000 Hardrock Hundred finisher results.
2. The aid station by aid station results in three representations:
  - a. Results in elapsed time into and out of each aid station
  - b. Results in time of day based on a 24 hour clock
  - c. Results in segments
3. Summary of course records for each year, five year finishers and multiple year finishers..
4. An all time finisher list.
5. Fact sheet showing summary information for each of the past Hardrocks.
6. A note from Dana Rouche on the philosophy of the Hardrock.
7. An entry blank for 2001.
8. Information on the Joel Zucker schloraship fund.
9. One or more photos of most, but not all of the runners, taken on the course.

While the time data have been checked and double checked, it is possible that errors still exist. If there are time errors please advise John. If there are photos that incorrectly identified please notify Charlie.

Most of this information is available on the Hardrock home page that was designed by Blake Wood and maintained by Stan Jensen at:

<http://www.run100s.com/HR/>

In continuing a now established tradition the 2000 Hardrock photo album will be assembled this fall. If you want any photos included please get them to Charlie by September 30.

Again, our personal thanks to all the participants and volunteers. We look forward to seeing you again at the 2001 Hardrock Hundred.
